PROFESSIONAL SUMMARY

I am a dedicated UI/UX designer and front-end developer with ideas that come to life in the form of stylish, easy-to-use interfaces. I've developed compelling websites and designs that are not only visually stunning but also enhance user experience and conversions. My motivation? Developing digital experiences that touch. Proficient in Figma, HTML, CSS, JavaScript, and responsive design—I'm all about making vision a reality.

EDUCATION

Bachelor of Science, Animation, Expected in 03/2026
Tilak Maharashtra Vidyapeeth - Pune

I am currently pursuing a B.Sc. in Animation & Multimedia from Tilak Maharashtra Vidyapeeth, Pune, with an expected graduation in 2026. My academic focus is on UI/UX design, user-centered design principles, and front-end development. Throughout my studies, I have gained practical experience with tools like Figma and have developed a strong foundation in HTML, CSS, JavaScript, and React.

Certificate program, UI/UX, 12/2024
Ducat - Noida

Completed a certificate program in UI/UX at Ducat Noida successfully. The course had hands-on training in Front-end Web Development and imparted to me practical exposure and technical skillset applicable to UI/UX.
